

Foot Protection

Safety Toe Protectors

Also available with pink safety toe and white safety toe for clean rooms.

Kit Care Safety Toe Protectors provide excellent occasional toe protection at an affordable price. The Safety Toe Protectors are an alternative to steel toe shoes for:

- Casual or temporary workers
- Salespeople
- Executives
- Plant Visitors
- Any person who enters an area where toe protection is required.

Where there is a potential for toe injury the desire for comfort and convenience of wearing regular footwear, Safety Toe Protectors are the answer.
